Maxol came to us for a structure for the INPC show in September 2017; as the largest show in Europe it's an ideal showcase for company products. Maxol were looking for a professional structure to display their products and leave a lasting impression to their clients. Commenting on our service delivery, Maxol said, "We will definitely be using Showplace again, the structure quality is excellent, and gave our customers a professional feel. The customer service provided by Sam & Louise was excellent who were always there to answer any questions we had"
