## BRANDING

We are specialists in branded exhibition, event, and decorative graphics, specifically tension fabric graphic systems. Whether you require a clean, minimalist design, or a multitude of colours, we will ensure that your brand stands out from the crowd.

The tension fabric graphics are versatile, easy to maintain and fully reusable, providing a cost effective and environmentally beneficial option. We currently offer backlit graphics, backlit counters, lightboxes, and light walls. Unlike many display systems, they are robust with minimal risk of damage. After a show, the graphics can simply be machine washed if needed and then folded away until your next event. Showplace will store your graphics free of charge for up to two years, so they can be used for multiple events and exhibitions.

The tension fabric graphic system is extremely flexible as well as visually striking and robust; the perfect choice for branding any exhibition stand, trailer or structure.
